Disclaimer: WAC or Wholesale Acquisition Cost is the list price for wholesalers, distributors or other direct accounts before any rebates, discounts, stocking or distribution allowances, chargebacks and/or other price concessions or fees that may be offered by Roche. For certain products, one or more forms of price concession, in addition to a prompt pay discount, is available on virtually all sales. Moreover, in the case of some products, these price concessions reduce the net price significantly below WAC

* Rocaltrol® Oral (calcitriol) is a product of Validus Pharmaceuticals, Inc. Roche is acting only as an order fulfillment center on behalf of Validus.
