**Important Notice**  
**ROFERON®-A (Interferon alfa-2a, recombinant)**

Dear Customer:

Please be advised that Roche is currently experiencing a temporary supply shortage of **ROFERON®-A** (Interferon alfa-2a, recombinant) 9 million IU syringe, Box of 6 (NDC 0004-2017-07).

Please continue to sell all existing stock of **ROFERON-A** 9 million IU syringes, Box of 6 until your inventories have been depleted as returns to reduce inventory will not be accepted.

At this time we are canceling all backorders for these products.

Please note, however, that the following products in the **ROFERON-A** line will continue to be available.

**ROFERON® -A (interferon alfa-2a, recombinant)**

National Drug Code (NDC)	Description	Unit of Sale
0004-2015-09	3 million IU syringe	Box of 1
0004-2015-07	3 million IU syringe	Box of 6
0004-2016-09	6 million IU syringe	Box of 1
0004-2017-09	9 million IU syringe	Box of 1

To help maintain an uninterrupted supply to your patients, we are requesting that you consider ordering the ROFERON-A 9 million IU syringe, Box of 1 (NDC 0004-2017-09) in the future. This will require that you modify your order quantities to reflect the proper unit of sale and NDC number.

We ask that you notify your customers and all appropriate personnel within your organization of this change.

We apologize for this inconvenience and appreciate your understanding. If you have any questions, please contact your Trade and Professional Relations Manager or call our Order Fulfillment Organization at 1-800-526-0625.

Sincerely,

Patrick A. Cofone  
Director, Trade and Professional Relations
